EXTRA CURRICULAR ACTIVITIES

Previously held the position of Coordinator and currently the Vice President of the Official Music Society of the College.

Represnted the music society at University level, actively networking with other music organisations and secured various positions .

SUMMARY OBJECTIVE

A highly motivated and skilled computer science graduate with a passion for problem-solving and innovation. Proven ability to learn new technologies quickly and apply them to real-world problems. Seeking an entry-level position in a challenging and fast-paced environment where I can use my skills and knowledge to make a significant contribution. Looking forward to work in a competitive environment that can boost my overall learning.
